

# Base Hospital

A basic level of hospital cover designed for those who just want the basics. Base Hospital gives you the option to choose your own doctor while receiving treatment in a public hospital shared room, as a private patient.

## Example hospital procedures at participating private\* and public hospitals – accommodation, operating theatre, intensive care:

\* please note if you decide to go to a private hospital you will incur significant out-of-pocket expenses

Emergency ambulance transport	✓
Accident related treatment <sup>^</sup> after joining	R
Dental services, removal of tonsils, adenoids, appendix	R
Investigation, repair or reconstruction of bones and tissues of a knee, hip or shoulder that have been damaged as a result of physical trauma	R
Grommets in ears	R
Treatment related to kidney (renal tract) stones & gallstones	R

Other joint replacement	R
Pregnancy related services	R
Assisted reproductive services (e.g. IVF, GIFT)	R
Cardiothoracic services (heart and lung related)	R
Bariatric services – all including revision and reversal procedures (e.g. gastric banding, sleeve gastrectomy)	R
Psychiatric services	R
Rehabilitation services	R
Palliative care services	R
Sterilisation and reversal of sterilisation	R
Cosmetic services	X
Plastic and reconstructive surgery service	R
Other services for which a Medicare benefit is not payable	X
All other inpatient services receiving a Medicare benefit	R

✓ Covered X Exclusion (not covered) R Restricted Benefits (not fully covered)

A Benefit is not payable in respect of a service that was rendered to a Member if the service can be claimable from any other source.

## Exclusion

For treatment listed as an exclusion there is no benefit payable and members will incur significant out of pocket expense for these services. Please review the exclusions on this cover and always check with CBHS Corporate Health to see if you are covered before receiving treatment.

## Restricted benefits

The services listed as restricted benefits when provided are eligible for Minimum Default Benefits prescribed by private health insurance legislation. These benefits relate to hospital bed charges and are unlikely to cover the fees charged for a private hospital admission. Members will incur large out of pocket expenses for services in a private hospital. Please call CBHS Corporate Health for a quotation on benefits payable.

## Excess payable: \$500

Base Hospital includes an excess of \$500. This means that when you go into hospital you will pay the first \$500 in respect to charges raised by the hospital. This excess is per person (including dependants) up to a maximum of \$1000 per family membership per calendar year. Excesses apply to both day and overnight stays.

## Ambulance

Base Hospital includes cover for emergency ambulance services when transported directly to hospital or treated at the scene due to a medical emergency. Transport must be provided by a State Government ambulance service or a private ambulance service recognised by CBHS Corporate Health (e.g. Royal Flying Doctor Service). Residents of WA are also eligible to claim a benefit for non-emergency ambulance transport services up to a maximum of \$5,000 per person per calendar year.

Residents of Queensland and Tasmania are covered by their state based Ambulance schemes

## What are pre-existing conditions and why are they important?

Pre-existing condition means an ailment or illness the signs or symptoms of which, in the opinion of the Medical Adviser, or other relevant health care practitioner appointed by CBHS Corporate Health to give advice on such matters, having regard to any information furnished by the Member's Health Care Provider providing the treatment and any other relevant information furnished in respect of the claim for Benefit, existed at any time in the period of six months ending on the day on which the person became insured under the policy and the commencement of contributions for the Benefit.

If a member has a pre-existing condition, a waiting period of 12 months will apply before we will pay hospital or medical benefits towards any treatment for that condition.

Members must also wait for 12 months to be covered for pre-existing conditions where they upgrade their cover.

## Waiting periods

Hospital waiting periods	Calendar months
Pre-existing condition, pregnancy related services	12 months
All other treatments	2 months
Accidents, emergency ambulance transport	1 day

<sup>^</sup> Accident related treatment means treatment provided in relation to an Accident that occurs after a Member joins the Fund and the Member provides documented evidence of seeking treatment from a Health Care Provider within 7 days of the Accident occurring. If Hospital Treatment is required, the Member must be admitted to a Hospital within 180 days of the Accident occurring. Any additional Hospital Treatment (after the initial 180 days) will be paid as per the level of Benefits payable on the Member's chosen level of cover (if applicable).

# Understanding your hospital cover

## What's covered for included services?

- ✓ **Accommodation** for overnight, same day and intensive care for a shared room as a private patient in a public hospital. This amount will be the minimum amount specified by applicable legislation
- ✓ **Theatre fees and labour ward fees** are not raised in a public hospital. If you attend a private hospital you will have significant out of pocket expenses
- ✓ **Medical expenses related to providers** for services while admitted in hospital e.g. fees from doctors, surgeons, anaesthetists, radiologists, pathology, imaging etc. Members have their choice of doctor/surgeon in a public or private hospital. CBHS Corporate Health will cover the difference between the Medicare benefit and the MBS fee for services provided as an admitted patient to a hospital. If the doctor charges over the scheduled fee you may have out of pocket expenses
- ✓ **Access Gap Cover** is where a provider chooses to participate under an arrangement with the fund. CBHS Corporate Health covers up to 100% of an agreed amount in excess of the MBS fee which reduces or eliminates your out-of-pocket medical expenses (i.e. surgeons, anaesthetists, pathology, imaging fees etc)
- ✓ **Surgically implanted prostheses** to at least the minimum benefit specified in the prosthesis list issued under Private Health Insurance legislation
- ✓ **Emergency ambulance transport** for an accident or medical emergency by approved ambulance providers (note: varies by state.)
- ✓ **Hospital Substitute Treatment** information available under the membership/services and benefits tab at [cbhscorporatehealth.com.au](http://cbhscorporatehealth.com.au)

## Limited cover for private hospital accommodation

If a member is admitted to a private hospital under Base Hospital cover, members may only receive benefits similar to the public hospital shared room rate which can result in substantial out-of-pocket expenses.

**Base Hospital Cover is not sufficient for private hospital treatment as you may incur significant out-of-pocket expenses.**

## What's not covered?

- ✗ If member is admitted into an agreement or non-agreement private hospital, benefits are payable only at the minimum rate specified by law – accordingly substantial out of pocket expenses can be incurred
- ✗ Hospital services received within policy waiting periods
- ✗ Nursing home type patient contribution, respite care or nursing home fees
- ✗ High cost, experimental or non TGA approved drugs
- ✗ Take home/discharge drugs (non-PBS may be eligible for benefits from CBHS Corporate Health Extras cover)
- ✗ Treatments where no Medicare benefits are available
- ✗ Aids not covered in hospital agreement (may be eligible for benefits from CBHS Corporate Health Extras cover)
- ✗ Services claimed over 24 months after the service date
- ✗ Services provided in countries outside of Australia
- ✗ Prostheses used for cosmetic procedures, where no Medicare benefit is payable
- ✗ Ambulance transfers between hospitals (for residents in VIC, SA and NT)
- ✗ Labour ward fees and Theatre fees in an agreement and non agreement private hospital
- ✗ Fees raised by public hospitals that exceed Minimum Default Benefits set by the Department of Health for shared room accommodation

## Going into hospital

- Contact us to confirm what you are covered for and to check if any waiting periods apply.
- Obtain a quote from your treating doctor/surgeon.

## Adding a new baby to your membership

When notifying CBHS Corporate Health of a new addition to your family you will need to provide your baby's full name, date of birth and gender.

If you have family cover, all waiting periods will be waived for your baby as long as you notify CBHS Corporate Health **within two calendar months of the birth**.

If you have singles cover, all waiting periods will be waived for your baby if you upgrade to family cover or sole-parent family cover **within two calendar months of the birth**. The upgrade must take effect the date your baby was born.

## Claiming your benefits

### Non-admitted medical services

Claims for medical services provided in a hospital, day surgery, emergency facility or doctors rooms as a non-admitted patient must be submitted directly to Medicare only. These services include, but are not limited, to x-rays (radiology), blood tests (pathology) and specialist/doctors consultations.

### Hospital claims

Hospitals will bill CBHS Corporate Health directly. If you are required to contribute to your admission (for example you have selected to pay an excess or have restricted cover) you will be required to pay this directly to the hospital. Please check with the hospital whether you have to pay this upon admission or if they will bill you.

### Admitted hospital medical services\*

We pay up to 25% of the Medicare Benefits Schedule (MBS) fee, while Medicare pays the other 75%. If charges are more than the MBS fee, then a gap payment arises.

### Medicare benefits schedule fees

75% covered by Medicare

Up to 25% covered by  
CBHS Corporate Health

Services that do not attract a benefit from Medicare will not incur any benefits. This means that you may face significant out-of-pocket expenses for both hospital and medical services.

- Doctors will give you an account for their services. Take this account to Medicare first.
- Complete a Two-Way form in order for Medicare to forward your claim to CBHS Corporate Health for the Fund benefit to be paid.

\* A member will incur substantial out of pocket expenses if they are not entitled to Medicare benefits (i.e. Non-Australian Residents).

## Access gap cover

Many people admitted to hospital as private patients can find themselves faced with out-of-pocket expenses, or 'gaps'.

Access Gap Cover (AGC) is a medical gap cover arrangement designed to minimise or eliminate out-of-pocket expenses for medical procedures conducted in hospitals or day surgery facilities as an admitted patient.

### Advantages of access gap cover

- As a patient, you will receive an estimate of doctors fees prior to your treatment.
- Doctors may claim directly from CBHS Corporate Health on your behalf (including the Medicare benefit).
- No more Medicare queues.

Go to [cbhscorporatehealth.com.au](http://cbhscorporatehealth.com.au) for more information on Access Gap Cover or to search for Access Gap Cover participating doctors.

Doctors using Access Gap Cover will usually bill CBHS Corporate Health directly. CBHS Corporate Health claims the Medicare benefit on your behalf and sends payment, including the Medicare and Fund benefits, directly to your doctor. If your doctor sends the account to you, please forward it on to CBHS Corporate Health, clearly identifying it is to be claimed through Access Gap Cover. **Do not take accounts to Medicare first.**
