Dental Choice Network

The dental Choice Network is a group of dental service providers who have committed to reducing or removing the gap for selected preventative dental services that you would usually pay between the dentist's charges and the CBHS Corporate Health benefit. By choosing to use a dentist in the network you will have no out-of-pocket expenses for these selected services.

Optical Choice Network

By visiting an optical Choice Network provider, you receive benefits of 100% of the cost for all optical frames, lenses and contact lenses from a selected range, up to the maximum overall limits. These services may also be subject to known gaps, where you will know in advance what out-of-pocket expenses you may incur.

Understanding your Extras cover

Ultimate Extras 75 benefits are based on 75% of the cost the provider charges you up to an overall limit.

Benefit period

Each group of services within Extras covers has an overall limit on the amount you can claim. Most limits are based on per person per calendar year, unless otherwise stated in our Extras table.

Benefits which attract a three year period are entitled to have the benefit renewed on the same date which the service was performed respectively.

Benefits which attract a 'lifetime' period; lifetime means the period commencing on the date the member was first insured and ceases to be insured by CBHS Corporate Health (irrespective of any suspension of membership or other period without cover).
